**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Any change in regulation that threatens competition runs against the grain of an important value of this society, this country. Smaller businesses such as the one I use for telephone and internet service are very important to our economic mix. Favoring the big guys regularly leads to trouble every time. Please don't damage broadband competition.

Thank you,

Cris Puder
